What you can do with the tools on your RTC MyBundle Account :

- **Find My Bundle:** Find the best combination of apps to get your shows, movies, and channels for the best value.
- **Marketplace:** Compare apps, content, prices, ratings, device availability, and promotional offers—then connect directly to sign up.
- **Search for Shows & Movies:** Get individualized content recommendations and see what's trending across ALL the services you have in one place. If the availability of the shows and movies you want changes, MyBundle will help you find where to watch them.
- **Watchlist:** Rather than a watchlist for every platform, combine all your lists in one MyBundle watchlist.
- **My Apps:** Monitor your total monthly streaming spending.
- **Watch Live Free TV:** Stream live MyBundle channels FREE anytime.
- **Binge-List:** Pick the shows you're interested in, then let your social network vote on what you should watch next.
